

## Executive Director, Investment Oversight and Research

### LAPP Corporation

#### **Location: Edmonton, Alberta**

The Local Authorities Pension Plan is the largest pension plan in Alberta and one of the largest in Canada. With close to 300,000 members and over \$60 billion in assets, LAPP is a multi-employer, jointly sponsored, defined benefit pension plan. Dedicated to serving every member, the plan guarantees a predictable, stable, and secure retirement income for life. LAPP Corporation is the legal Trustee and Administrator of the Plan and is supported by its pension services provider, Alberta Pensions Services Corporation (APS), and its investment management services provider, Alberta Investment Management Corporation (AIMCo). The Corporation is AIMCO's largest client, accounting for approximately 40% of its AUM.

LAPP's Investment Policy and Oversight team has created a brand-new role: Executive Director, Investment Oversight and Research to manage the investment oversight processes of the Plan fund. The role ensures compliance with the Plan fund's Statement of Investment Policy and Procedures and regulations; verifies and assesses investment performance, costs, and investment risk; oversees major investment activities; and manages agency risk from external service providers. Reporting to the VP, Investment Policy and Oversight, this is a high profile, high impact role.

The ideal candidate will bring a track record of success overseeing investment strategy and research in an investment organization, or alternatively working in an investment consulting role. Specific experience advising pension clients on investment strategy, and in risk and governance, is preferred, as is experience across multi-asset class and total portfolio strategies. Visionary and proactive, with advanced interpersonal, communication, and research skills, the successful candidate will lead the investment oversight processes and support the development of investment policy through capital market and asset class research.

This is a rare opportunity to join a small and highly collaborative team in a well-managed plan, with the noble purpose of helping hundreds of thousands of Albertans retire with a pension for life. The position is based in Edmonton, Alberta.
